ORDER AMENDING BLANKET AUTHORIZATION
TO IMPORT AND EXPORT NATURAL GAS

DOE/FE ORDER NO 836-B

In DOE/FE Order No. 836 (Order 836), issued in FE Docket No. 93-82-NG on August 17, 1993, as amended on July 22, 1996, in DOE/FE Order No. 836-A (Order 836-A), Energy Source, Inc. (ESI), was authorized to import up to 100 Bcf of natural gas and to export up to 100 Bcf of natural gas to and from Canada for a two-year period.

On December 20, 1996, as supplemented on January 24, 1997, the Office of Fossil Energy of DOE was notified that ESI's assets, including the "ESI" name, were purchased by Pacific Northwest Gas Systems, Inc. (Pacific Northwest), a wholly-owned subsidiary of Pacific Gas Transmission Company. Pacific Northwest has been renamed ESI and the new corporate name of the entity licensed in this docket is Edisto Energy, Inc. The

renamed ESI requests that the authorization granted in Order 836,
as amended, be further amended to reflect this change.

Accordingly, pursuant to section 3 of the Natural Gas Act, the import and export authorization in DOE/FE Order Nos. 836 and 836-A is further amended to reflect the substitution of the new ESI corporation. All terms and conditions in Orders 836, as amended, remain in full force and effect.

Issued in Washington, D.C., on February 6, 1997.
