**ORDER VACATING BLANKET AUTHORIZATION  
TO EXPORT NATURAL GAS TO CANADA**

**DOE/FE ORDER NO. 1047-B**

Koch Energy Trading, Inc. (KET), formerly Koch Gas Services Company, was authorized in DOE/FE Order No. 1047 (Order 1047),<sup>1/</sup> as amended by DOE/FE Order No. 1047-A (Order 1047-A),<sup>2/</sup> to export up to 50 billion cubic feet (Bcf) of natural gas to Canada. Exports have never begun under this authorization. On February 1, 2001, KET merged with Energy Power Marketing Corporation and Axia Energy, L.P. (Axia). The surviving corporation in the merger was Axia. Subsequently, Axia changed its name to Entergy-Koch Trading, LP (EKT). On April 18, 2002, EKT received two-year, blanket authority in DOE/FE Order No. 1767 to import and export up to an aggregate of 800 Bcf from and to Canada and Mexico.<sup>3/</sup> That authorization replaced Order 1047, as amended.

Accordingly, pursuant to section 3 of the Natural Gas Act, the import authorization granted by Order 1047, as amended by Order 1047-A, is hereby vacated.

Issued in Washington, D.C., on April 22, 2002.
