ORDER GRANTING BLANKET AUTHORIZATION TO IMPORT AND EXPORT NATURAL GAS FROM AND TO CANADA

DOE/FE ORDER NO. 1802

I. <u>DESCRIPTION OF REQUEST</u>

On August 6, 2002, Multifuels, L.P. Multifuels will import and export the gas for its own account as well as on behalf of end-users in the States of Massachusetts, Connecticut, Maine, New Hampshire, New Jersey, and New York. The proposed authorization does not involve the construction of new pipeline facilities.

II. FINDING

The application filed by Multifuels has been evaluated to determine if the proposed import and export arrangement meets the public interest requirement of section 3 of the NGA, as amended by section 201 of the Energy Policy Act of 1992 (Pub. L. 102-486). Under section 3(c), the import or export of natural gas from or to a nation with which there is in effect a free trade agreement requiring national treatment for trade in natural gas, is deemed to be consistent with the public interest and must be granted without modification or delay. The authorization sought by Multifuels to import and export natural gas from and to Canada, a nation with which a free trade agreement is in effect, meets the section 3(c) criterion and, therefore, is consistent with the public
